

According to Article III Sec. 95-7 of the Borough Code, "The owner, agent of the owner or occupant of any building or land bordering upon any street, park or public place within the Borough of Litchfield, except crosswalks and park walks, where there is a sidewalk constructed, graded, paved or planked shall cause to be removed therefrom any and all snow, sleet and ice within eight (8) hours after sunrise, when the same shall have fallen in the night, and whenever any such sidewalk or any part thereof shall be covered with ice, the owner, agent or occupant of the building or lot adjacent thereto shall, within one (1) hour thereafter during the daytime or within one (1) hour after sunrise when it falls during the night, cause such sidewalk to be made safe and convenient by removing the ice therefrom or by covering the same with sand or other suitable substance."

Article III, Sec.95-8 Failure to comply; removal by borough. If the owner or occupant does not comply with this Article, sidewalks which have not been so cleaned or ice sanded over substantially the full width of the sidewalk may be cleaned or sanded by the Committee on Walks, or its representative. In that event, the borough shall charge the owner the cost of cleaning or sanding, plus a surcharge of twenty-five (25%), but not less than two dollars (\$2). If this surcharge is not paid within thirty (30) days, the Borough Tax Collector is authorized to effect collection thereof, pursuant to Section C1004 of the Charter of the Borough of Litchfield.
